

protective eyewear

Eye Protection That's Off The Beaten Path.

Designed for active individuals who live life to the fullest, **4x4**[®] is eye protection that is as tough as you. It's eyewear that looks good, feels good, and protects when the road is rough.

Featuring an extremely durable, four-sided, wrap-around frame that supports dual polycarbonate lenses, **4x4** provides superior impact protection. At the same time, it weighs just one ounce and comes with a soft, inset nosepiece and flexible temple tips that provide superior comfort.

With five distinctive frame options – including new Classic Camo – this is eye protection that provides style *and* substance. For those who demand more from their safety equipment; get off the beaten path.
