

PRODUCT SPEC SHEET

TACTICAL STRIKE - DISINFECTANT CONCENTRATE

EPA Reg. No. 6836-348-5680

When your enemy is invisible, TACTICAL STRIKE is your weapon.

Newest product for defense against HIV, the flu, strep, staph, hepatitis, herpes, salmonella, human coronavirus and more!

Kills bacteria and viruses on hard and soft surfaces.

Ultra-high concentrate with 1 gallon concentrate that makes up to 128 gallons of ready to use product.

Good for hospitals, airports/airplanes, prisons, gyms, schools, and vet clinics.

Can also be used to sanitize personal protective equipment. Tactical Strike is clear and odorless.

Tactical Strike meets the EPA Viral Emerging Pathogen Policy:
