

Contained. Clean. Convenient.

Introducing the Convenience Bag[®] by GKR Industries, a smart and affordable solution to contain leaks, spills, and odors. Featuring an inner valve that automatically seals shut, the Convenience Bag is designed to single-handedly manage unwanted messes.

Convenience Bag[®]

Convenience Bag[®]

Features and Benefits

Smart Design — Wide, rigid opening collar to place over the mouth for added ease and convenience.

Hand Protection — Optional plastic outer sleeve protects the hands from leaks or splashes.

Leakproof — Inner valve automatically seals shut to prevent contents from leaking or spilling.

Easy Disposal — No strings or ties to worry about; disposal is quick and efficient.
